Symptoms and effects: Causes injury to the cornea and eyelids. Causes burns. May cause sensitization by skin contact.

First aid:

General: Obtain medical attention immediately (show this Safety Data Sheet)

Inhalation: Move to fresh air, rest, half upright position, loosen clothing. Oxygen or artificial respiration if there is difficulty in breathing. Seek medical advice after significant exposure.

Skin: Remove all contaminated clothing immediately. Wash off with plenty of soap and water. Always seek medical advice. Launder clothes before reuse.
